## Kleurverschillen

Om kleurverschillen te voorkomen, dienen de accessoires samen met het bankstel besteld en geproduceerd te worden. Bij het apart bestellen van kussens kan er geen kleurgarantie gegeven worden. Indien er stofmetrages en/of accessoires met een expressdienst naar u of naar een ander producent dient verstuurd te worden, zal Koozo u deze expresskosten steeds aanrekenen.

## Différences de couleurs

Afin d'éviter des différences de couleurs, les accessoires doivent être commandés et produits en même temps que l'ensemble. En commandant des coussins séparément, on ne peut donner aucune garantie de couleur. Pour chaque envoi d'étoffes ou d'accessoires par courrier express que nous vous envoyons, ou à d'autres fabricants, Koozo vous facturera toujours les frais de transport.
